Gentlemen.

I am in receipt of your favor of the 26th inst. I would like very much if you can me the Pgh. Cards in the Ramsden & Gies collections, so that I can compare them with my list, in order that I may enter any not already listed. If you desire it, I think I will not have any difficulty in securing permission from the owners for you to do this. Mr. R. was very secretive, and I have no doubt that he had some pieces of which I have no knowledge. Trusting to hear from you soon, & wishing you a Happy & Prosperous New Year, I remain,

Very truly yours

Gentlemen:-

On my return from my vacation I found your proxies for use at the A. F. A. convention, but as you are probably aware by this time, the convention adjourned without transacting any business and will re-assemble in Pittsburgh on the first of next month. Cannot you arrange it so that one of you can be present at that time as we are desirous of having as many members present from outside of the city as possible? With kind regards,

Very truly yours,
